Report of 2014 WHO Chemical Risk Assessment Network Meeting_Final.pdf

Dear Colleagues,

Please find attached the final report of the first WHO Chemical Risk Assessment Network Meeting, held in Paris in October 2014.

The report will be published on the Network web pages of the WHO web site.

Announcements regarding some new Network activities being taken forward following the meeting will be made soon, and documents will be distributed via the Network EZCollab site.

Thank you for your contributions and support.

Best regards

Richard Brown
